

MidsummerFest at 'Sunnyside' in the Mersey Forest (June 16th-18th)

'Sunnyside' and the BN NW Region invites members of British Naturism/INF-FNI and North West Member Clubs (Landed and Swims) to a Midsummer weekend party. This is an annual event in the BN NW Region, this year's hosts are Liverpool Sun and Air at their site 'Sunnyside'.

'Sunnyside' is located in the countryside to the east of Liverpool, easily accessible from Jn6 of the M62 and set in 10 acres of land. There will be fun and games from Friday 16th June until Sunday 18th June with camping and food provided by the club. All you have to do is book and enjoy yourself

The weekend's aim is for naturists from all over the region and beyond to meet and enjoy a weekend of fun at the excellent facilities at Sunnyside Club.

You can arrive anytime on Friday 16th June, the BBQ will be lit in the evening so bring along something to cook. The Sauna will be on and the table tennis will be set up in the club house so come and join the party.

On Saturday we will provide breakfast, lunch and a 3 course evening meal with lots of entertainment.

On Sunday a big breakfast will get the day going.

All of Sunnyside's facilities will be available for the whole time of your stay. In addition there will be organised games and activities for you to join in if you wish. Activities may include miniten, petanque, fun sports, use of Spa facilities, yoga, aerobics, body painting etc. On Saturday evening there will be a 'pub' quiz and themed disco (theme to be announced later).

Our package for the whole stay is an amazing price, unchanged from 2015! (You can stay all weekend or visit for a day)

Camping is £20 per pitch per night for a caravan or motorhome (including electricity), £15 per pitch per night for a tent.

Day rates for all activities and all food: Saturday £14, Sunday £5

Beverages will be available all day for visitors to help themselves. The club is not licenced, so bring your own booze, (we hope to be able to put on a barrel of Real Ale for the weekend, we'll keep you informed).

This means that a couple staying from Friday until Sunday on a site with electricity and with food and entertainment provided, will pay just £76 in total.

A tent (without electric) with one person for the whole package will pay £48

A deposit will guarantee your place at this fun packed weekend.

To book, please contact the club by phone or email (see below) to secure a place. Then confirm your reservation by sending them the booking form (downloadable from the LSAS and BN websites) and cheque for the appropriate deposit, mention unit size and any special dietary requirements and return to:

The Secretary
